SELECTED WEB DEVELOPMENT PROJECTS

[Nexora](#) — AI Productivity Platform

Designed and developed a modern landing website for an AI-powered productivity platform. Built responsive product, dashboard, pricing, testimonial and FAQ interfaces with conversion-focused calls to action.

[Loomora](#) — E-Commerce Website

Developed an 8-page website with product-focused layouts and shopping-oriented navigation. Created collections, category pages, new-arrival sections and interactive shopping experiences.

[Sterling & Cole](#) — Law Firm Website

Developed a professional law-firm website designed around credibility, clarity and lead generation. Created practice areas, attorney profiles, case results, legal insights and consultation-focused sections.

[Brightline Dental Care](#) — Dental Clinic Website

Developed a responsive dental-clinic website with a patient-focused user experience. Implemented treatment presentation, doctor filtering, searchable FAQs, testimonials and multi-step appointment requests.

[Aurelia Cove Resort & Spa](#) — Resort Website

Designed and developed a responsive luxury resort website focused on the guest experience.

[Forgecrest Home Services](#) — Service Business Website

Developed a professional service-business website with service areas and project presentation.

[Zenvora](#) — B2B SaaS Website

Developed a responsive SaaS website for a modern business software platform.

Structured features, business solutions, analytics, pricing and conversion-focused sections.

[Mehran Estates](#) — Real Estate Website

Developed a multi-page real-estate business website featuring properties, projects, services, blog, FAQ and contact pages.

Designed responsive property and inquiry-focused interfaces for potential customers.

Additional Portfolio Projects:

[Clinovia](#) — Healthcare SaaS Website

[Oakstone Realty](#) — Real Estate Agency Website

[Savorra Kitchen](#) — Restaurant Website

Complete Portfolio: [View All Web Development Projects](#)
